SACRAMENTO MARRIOTT RANCHO CORDOVA BEGINS MULTI-MILLION DOLLAR RENOVATION

Enhancements throughout the hotel showcase thoughtful, tech-forward design

RANCHO CORDOVA, CA – September 21, 2023 - Located just outside of Sacramento, CA, Sacramento [Marriott Rancho Cordova](#) recently began a multi-million renovation of the entire property. The renovation will be completed in phases beginning with meeting spaces and ballrooms and will continue to include general public areas, corridors, guest rooms, a fitness center and the Starbucks® Café. The first phase includes meeting room corridors and meeting spaces.

The reimagined spaces will reflect a more modern and tech-forward design, while creating intentional transitions throughout the hotel's interior. Attention was given to creating spaces that enhance the guest experience while also evoking a warm and welcoming environment.

"The Marriott Sacramento Rancho Cordova renovation incorporates thoughtful details that provide a mindful connection to the world around you while small scale textures add interest and help create a relaxing, reflective environment," says Robbie Garcia, General Manager, Sacramento Marriott Rancho Cordova.

The dramatic re-imagination of the hotel fuses new carpet, wall textures, technology, lighting fixtures, and furnishings in the top-to-bottom makeover. Visual elements feature neutral yet rich tones, and mixed materials and textiles. Other notable changes in the guest rooms include new 65-inch televisions, large in room desks with multiple outlets and USB plugs for the business traveler and eco-friendly flooring. The transformation provides leisure and business travelers with luxurious accommodations in a refreshing environment.

The renewed property will become the crown jewel of the Sacramento region; the physical location of the hotel is conveniently located immediately off of the US50 freeway with easy access to Sacramento, Folsom and Amador's Gold Country.
